

Dan Bridges, Board Treasurer

After growing up and graduating from high school in Atlanta, Ga, Dan attended the U.S. Air Force Academy and then served as a pilot in the Air Force, including wartime service in Desert Storm. He has enjoyed being a commercial pilot for over two decades and never tires of viewing our beautiful nation from on high. Dan has also served his community as a Boy Scout leader(both he and his two sons are Eagle Scouts). His extended family has been honored to serve in various capacities with the Good Samaritan Home for over fifty years. He has a wonderful wife and two fabulous boys and they all enjoy spending time in Cascade and Warm Lake at every opportunity.
